This Letter of Agreement, hereinafter referred to as "Agreement", entered into this ^{29th} day of April, 2016, by and between the State of Montana, Department of Public Health and Human Services, Montana Developmental Center, hereinafter referred to as "Employer", and International Association of Machinists, District Lodge #86, hereinafter referred to as "Union", shall be considered as an addendum to and by reference herein, incorporated as part of the Labor Agreement executed by Employer and Union, entitled "Montana Developmental Center Craft Council."

- A.  - 1. The Union asserts that its Pension Fund is a non-contributory plan that will not accept employee contributions.
 - 2. The statutory law of Montana requires all pension plan contributions, other than those made to the Montana Public Employees Retirement System to be employee contributions made in lieu of wages. Bargaining unit employees' wages shall be reduced by the amount of the pension plan contribution provided herein, and such reduced amount shall not be included as wages for purposes of computing the

Employer or employee contributions to the mandatory Public Employees Retirement System, or for computing gross income for Federal and State Income Tax purposes as long as making such computations in this manner remains lawful.

The bargaining unit employees have ratified this Agreement, and therefore, as a condition of initial and continued employment, all affected employees must execute any forms required by the Employer in order to defer, in lieu of wages, monies to pension plan contributions. Failure or refusal of the employee to execute any required forms shall be cause for immediate discharge. The Union agrees to indemnify, defend, and hold the Employer harmless against any and all claims, suits, orders, or judgments brought or issued against the Employer as a result of any action taken or not taken by the Employer under this provision.
 5. Nothing contained in this or any other agreement or document precludes or prejudices the rights of the Employer from asserting that it has not liabilities under the provisions the Employee Retirement Income Security Act (ERISA) or other applicable laws, rules or regulations, in the event of a partial or complete withdrawal or termination from the Pension Fund or for the insolvency of such fund, including any such assertions that may be made under Section 414(h) of the I.R.S. Code as have been made in the past.
- C. The Employer shall forward contributions for collection periods consisting of each two consecutive payroll periods (four calendar weeks) of the Employer. The total amount due for each collection period shall be remitted in lump sum by the 20th day of the month following the end of each collection period. It is understood and agreed that the calendar year for the collections shall begin with the first day of the first full payroll period of January each year.
- D. In compliance with state or federal laws and regulations, the Employer agrees to sign a pension participation agreement and other forms or documents (as furnished by the Union) that may be necessary to effectuate and continue in existence the pension plan, to abide by such rules as may be established by the trustees of said trust fund to facilitate the determination of the hours for which contributions are due, the prompt and orderly collection of such accounts, and the accurate reporting and recording of such amounts paid on account of such employee of the bargaining unit.
- E. This Agreement, which expires June 30, 2017, is premised on the assumption that it is in compliance with Montana State Statutes and applicable federal pension laws as interpreted by the state or federal courts and the Pension Benefit Guaranty Corporation. If competent legal authority determines that this Agreement is not consonant with such laws, the parties shall attempt to meet to discuss any problems resulting from terminating this Agreement prior to any such termination by the State.
